WHEREAS, both public and private involvement in the development of a broadband Internet improvement plan will be necessary for success; and

WHEREAS, cooperation among the county, town, village, city and tribal governments together with providers and the general public, along with partnerships with private businesses and the Indian reservation, will provide the opportunity for successful implementation of improved Internet services; and

WHEREAS, the county is committed to improving broadband service to the residents and businesses consistent with the needs of the community; and

WHEREAS, significant portion of the county’s economy derive from Internet speed, adoption and capacity; and

WHEREAS, improved high speed (broadband) Internet access is essential infrastructure to Bayfield County; and

WHEREAS, in terms of speed, adoption rates by its citizens and data capacity.

NOW, THEREFORE, BE IT RESOLVED, that the Bayfield County Board of Supervisors hereby resolve that the County Board hereby resolves that:

1. The County Board hereby expresses its support for the goal that Bayfield County will pursue the best possible broadband Internet service.

By action of the Board, the adoption of this resolution.

Resolution

NO. 2014-02

Support Improved Broadband Internet Access in Bayfield County

Shawn Villere, Chair
Bayfield County Board of Supervisors
